ENGLISH: Dec 19, 2011 Monday

My name is Gabriel Medina Lopez. I am an inmate here at Campamento de Fe where Sister Kathy comes to visit. Through her we are writing letters to people like you and thus offering our friendship and telling you how I happened to end up here. It was because of an accident. Although I had known the Lord, I had been away from Him and here I reaffirmed my faith. On the 7th of July I was baptized, arriving at the feet of my Lord and it was an incentive for me.

My accident happened 7 years ago. I needed a surgical operation but I couldn't get it until I first obtained health insurance. I recently got it and was operated on 15 days ago and everything is going well up to this present time.

I hope that you also are healthy--this is basic, everything else is secondary. Believe in Jesus Christ and He will give you victory. I encourage you to keep on going and never, ever give up.

Look for Jesus. He loves us. Thank you.

" Ecclesiastes 5:4-5 (NLT)

⁴ When you make a promise to God, don't delay in following through, for God takes no pleasure in fools. Keep all the promises you make to him. ⁵ It is better to say nothing than to make a promise and not keep it.
